

Ultra footpath sign

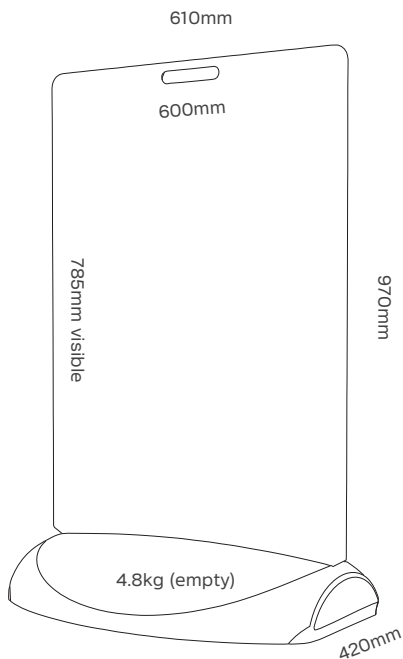

Fillable base for extra stability

Optional handle to assist with transportation

Interior and Exterior Freestanding Sign

Base Colours:

Description

Ultra is the ultimate sign base. This elegant display is constructed from maintenance free materials and has a minimalist footprint.

Bases can be weighted for additional stability in windy environments. Optional wheels can be added to one end to assist with transportation.

The powder coated aluminium blade locks in place and is available with or without a carry handle. Base available with moulded logo's on request.
