

Windblade flags

Description

Windblades have user friendly rectangular print areas and are suitable for indoor and outdoor use. Windblades will flap in the wind catching plenty of attention.

Flag Style

Single sided Polyknit fabric
Double sided Blockout fabric (except 5.2m)
Polyknit prints show-thru to the other side but in reverse.
Polyknit has a longer life than blockout fabric.

Wind rating

Single sided up to 50kph
Double sided up to 35kph

Carry bag

1.4m nylon carry bag.
